

## The Chrysanthemum Festival.

Last Thursday and Friday the ladies of the Presbyterian church held their second chrysanthemum festival and baby show at Turner hall. The flowers were good and a large variety was on exhibition.

On Thursday evening the mothers displayed at the baby show their babies. Each mother had the finest baby, from her stand point, but the judges awarded the first prize to Mrs. Ben Green's baby, the second to Mrs. G. S. Cannon's, and the third to Mrs. A. P. Behrens'.

Thursday night an excellent musical and literary program was given by the children and literary people of the town. To say the audience was pleased with it is putting it mild.

On Friday night another literary program was rendered. Space forbids us to speak of each separately, but we will have to say a few words for each of the little ones, who did so well that we feel like giving special mention.

Robert Ralph Russell said "Washington was great, Lincoln was great, others were great, but this (displaying a corn grater) is greater." Robert Ralph sure brought applause. The duet "Robert Shadow" by Louisa Helmkamp and Mattie Horrell was fine. The recitation of Jean Caldwell, telling how her mother died when she was a girl, was well spoken. The lullaby by Virgie Morton was executed to perfection. The song "Mortgage on the Farm" by the older people was well rendered and had in it a good moral.

In fact the solos, instrumental music and all were of the very best and furnished a night of real pleasure to all who attended. Lunch was served both nights in the basement of the hall, so none needed to go home hungry.

Drink, and the grand drinks with you; swear off and you go it alone; for the barroom bum who drinks your rum has a querulous thirst of his own. Feast and your friends are many, fast and they cut you dead. They'll not get mad if you treat them bad, so long as their stomachs are fed. Steal if you get a million, for then you can furnish bail; it's the great big thief who gets out on bail, while the little one goes to jail. Advertise and the dollars will come; stop and they fail to arrive; for how are men who have money to spend, going to know that you are alive.

**TO CURE A COUGH**

Stop coughing, as it irritates the lungs, and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants. All dealers.

## Rev. Irl R. Hicks is Not Dead.

Notwithstanding a widely current rumor that the Rev. Irl R. Hicks was dead, he never was in better health, and never did a harder or more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and, with his staff of able helpers, has brought his journal, "Word and Works," justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer, and forecaster of storms and the character of coming seasons. Never was his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering. Millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine almanac of 200 pages is only 25 cents, and his splendid family journal is only one dollar a year including the almanac. Send to Word and Works Publishing Co., 2201 Locust street, St. Louis, Mo.

**"AROUND THE PAN"**—The most profusely illustrated book of the kind ever published, is a lasting souvenir for those who did, and a splendid description for those who did not visit the Pan-American Exposition, the latter class will find it a most reliable substitute for the trip. It is as amusing to the young as it is interesting to the adult, and should be readily accepted into every household for the edification of young and old. Agent's outfit free upon receipt of 15 cents in postage.

## Uncle Sam's Mail Service

requires physical and mental ability of a high degree to withstand its hard labors. The high tension to which the nervous system is constantly subjected, has a depressing effect, and soon headache, backache, neuralgia, rheumatism, sciatica, etc., develop in severe form. Such was the case of Mail Carrier S. F. Sweinhart, of Huntsville, Ala., he says:

"An attack of pneumonia left me with muscular rheumatism, headache, and pains that seemed to be all over me. I was scarcely able to move for about a month when I decided to give Dr. Miles' Pain Pills a trial. In three days I was again on my route and in two weeks I was free from pain and gaining in flesh and strength."
